Immigration Requirements/Visas for international students entering the UK:

www.ukvisas.gov.uk/en/howtoapply/infos/inf29pbsstudent gives full details of UK immigration requirements.

Visitors from certain countries e.g. USA or Canada are described by UK Immigration as Non-Visa Nationals and do not require visas in advance for visits to the UK. Visitors from many countries, known as Visa Nationals, are always required to obtain visas in advance whenever they visit the UK.

www.ukvisas.gov.uk/en/doineedvisa/visadatvnationals has a list of Visa National countries. If you are from a Visa National country, you must get leave to enter the UK before you travel, even to enter the UK as a Student Visitor.

1) Student Visas

If you intend to come to CCY BC for more than 1 semester or if you wish to seek permission to have a part time job, you should complete a Student Visa application form which you can do online at www.visa4uk.fco.gov.uk/ApplyNow.aspx. You need to follow the regulations for applying for a Student Visa which vary from country to country. Go to www.visainfoservices.com/Pages/Welcome.aspx; after selecting your country you will find out exactly what you have to do. It is important to follow the instructions correctly to make sure your visa application is accepted.

You will need a Student Visa letter from us, which we will send you with your Acceptance Letter when we have received your Deposit of \$600 (£400).

How many semesters are you planning to do at CCYBC? _____

If you are planning to get a Student Visa for **one** semester, your Bank Account will need to be worth at least **2,000 UK pounds** after you have paid the \$600 (£400) deposit.

If you are planning get a Student Visa for **more than 1 semester**, your Bank Account will need to be worth at least **5,000 UK pounds** after you have paid the \$600 (£400) deposit.

To work out what your bank balance is worth in UK pounds, use the current exchange rate calculator at www.oanda.com.

For details about providing the necessary paperwork to support your visa application, refer to <http://www.ukba.homeoffice.gov.uk/studyingintheuk/adult-students/evidence/>

It is possible to satisfy the financial requirement through funds your parents have in their bank account – for details see details in www.ukvisas.gov.uk/en/howtoapply/infos/inf29pbsstudent (referred to above).

2) Student Visitors

American students and other non-visa nationals do not require a visa to enter the United Kingdom for one semester i.e. for less than six months, but may find it beneficial to have a visa especially for sight-seeing trips to mainland Europe. If you come to the UK without a visa, you should inform the Immigration Officer that you are doing a 15 week course at CCY BC which has a UKBA Tier 4 license to sponsor students and ask for a 6 month Student Visitor stamp in your passport.

Please note: the Student Visitor stamp is single entry; if you leave the country to go on outreach or to do sightseeing, you will need to request a fresh visitor stamp in your passport when you return to the UK and there is the possibility this may be refused.

You will not be able to extend your stay while in the UK and you will not be able to take a part-time job. We understand from the UK Border Agency that visits to the UK by visitors who do not have full visas, including student visitors, may be limited to 6 months in a 12 month period.

Visa national students i.e. from countries where entry to the UK has to be by visa, can get a Student Visitor Visa which costs less than a full Student Visa.
